

INVITATION

Information meeting: Applying for a Center of Excellence to the Danish National Research Foundation (Danmarks Grundforskningsfond)

Date: May 1, 2018
Time: 15:30-17:00
Venue: Auditorium 3, Tåsingeade, Building 1441/113, 8000 Aarhus C

In May 2018 the Danish National Research Foundation (DG) opens the next call for Centers of Excellence.

Aarhus University invites potential applicants to an information meeting on Centers of Excellence and how to apply for one.

Programme:

- 15:30-15:35** **Welcome** by Brian Bech Nielsen, Rector, Aarhus University
- 15:35-15:50** **Presentation of the call** by The Danish National Research Foundation. Get an early introduction to the call and possible changes from previous calls.
- 15:50-16:10** **Applying for a Center of Excellence** by Professor Rubina Raja, Department for Culture and Society and professor Lars Peter Nielsen, Department of Bioscience. Two centre directors tell us about their experiences from the application phase, the negotiations and the establishing of a centre.
- 16:10-16:55** **Q&A.** Ask all your questions to DG and to the directors of the centers.
- 16:55 -17:00** **Support for the application** by the Research Support Office, Aarhus University Presentation of research support services offered to applicants during the application phase.
